The 2023 Rock Island County Fair will be held Tuesday, July 18th through Saturday, July 22nd, 2023. As years past and years to come, we will again bring agriculture, family fun and entertainment to the thousands of fairgoers who attend each year. This year we have great fun planned with our grandstand entertainment as follows:

- **Tuesday – Stockcar Races (East Moline Speedway)**
- **Wednesday – Rodeo (T&C Rodeo Company)**
- **Thursday – Truck and Tractor Pull (Viola Boyz)**
- **Friday – Monster Trucks (Full Throttle Monster Trucks)**
- **Saturday – Demolition Derby (Viola Boyz)**

Although the fair remains our largest happening of the year, we host many other community events that consider the Rock Island County Fairgrounds home. As a non-profit organization, we value the other local organizations and businesses who provide their support in continuing the tradition of educating our youth about the importance of agriculture, as well as being involved with the county fair. We offer our facilities free of charge to organizations such as University of Illinois Extension with the local 4H Clubs and the Rock Island County Home Extension who all share our mission.

Continuing to provide agricultural education is a constant challenge and we are asking for your help. Your donation to the Rock Island County Fair Association, allows us to continue our tradition of agricultural advocacy through community events. We have included more information on our sponsorship levels and are confident that you can find one suitable to your needs, however, feel free to reach out if you are interested in customizing one! The Rock Island County Fair Association is a 501(c)3 corporation and all donations are tax deductible.

Your support is greatly appreciated. We hope to see you at the Rock Island County Fair!

Best Regards,
The Rock Island County Fair Board of Directors
